

EXPLORE

AREA

The festival grounds are located in the heart of Galloway Forest Park.

By stepping inside the ancient green and shadows of the mighty trees, you immerse yourself into a magical world, where mystical creatures dwell and old myths come alive.

From the rocky mountaintops, vivid plains and to the deepest lakes, the Galloway Forest Park awaits to be explored by you.

Join our professional guides for an adventure and step into the beauty of Scottish nature.

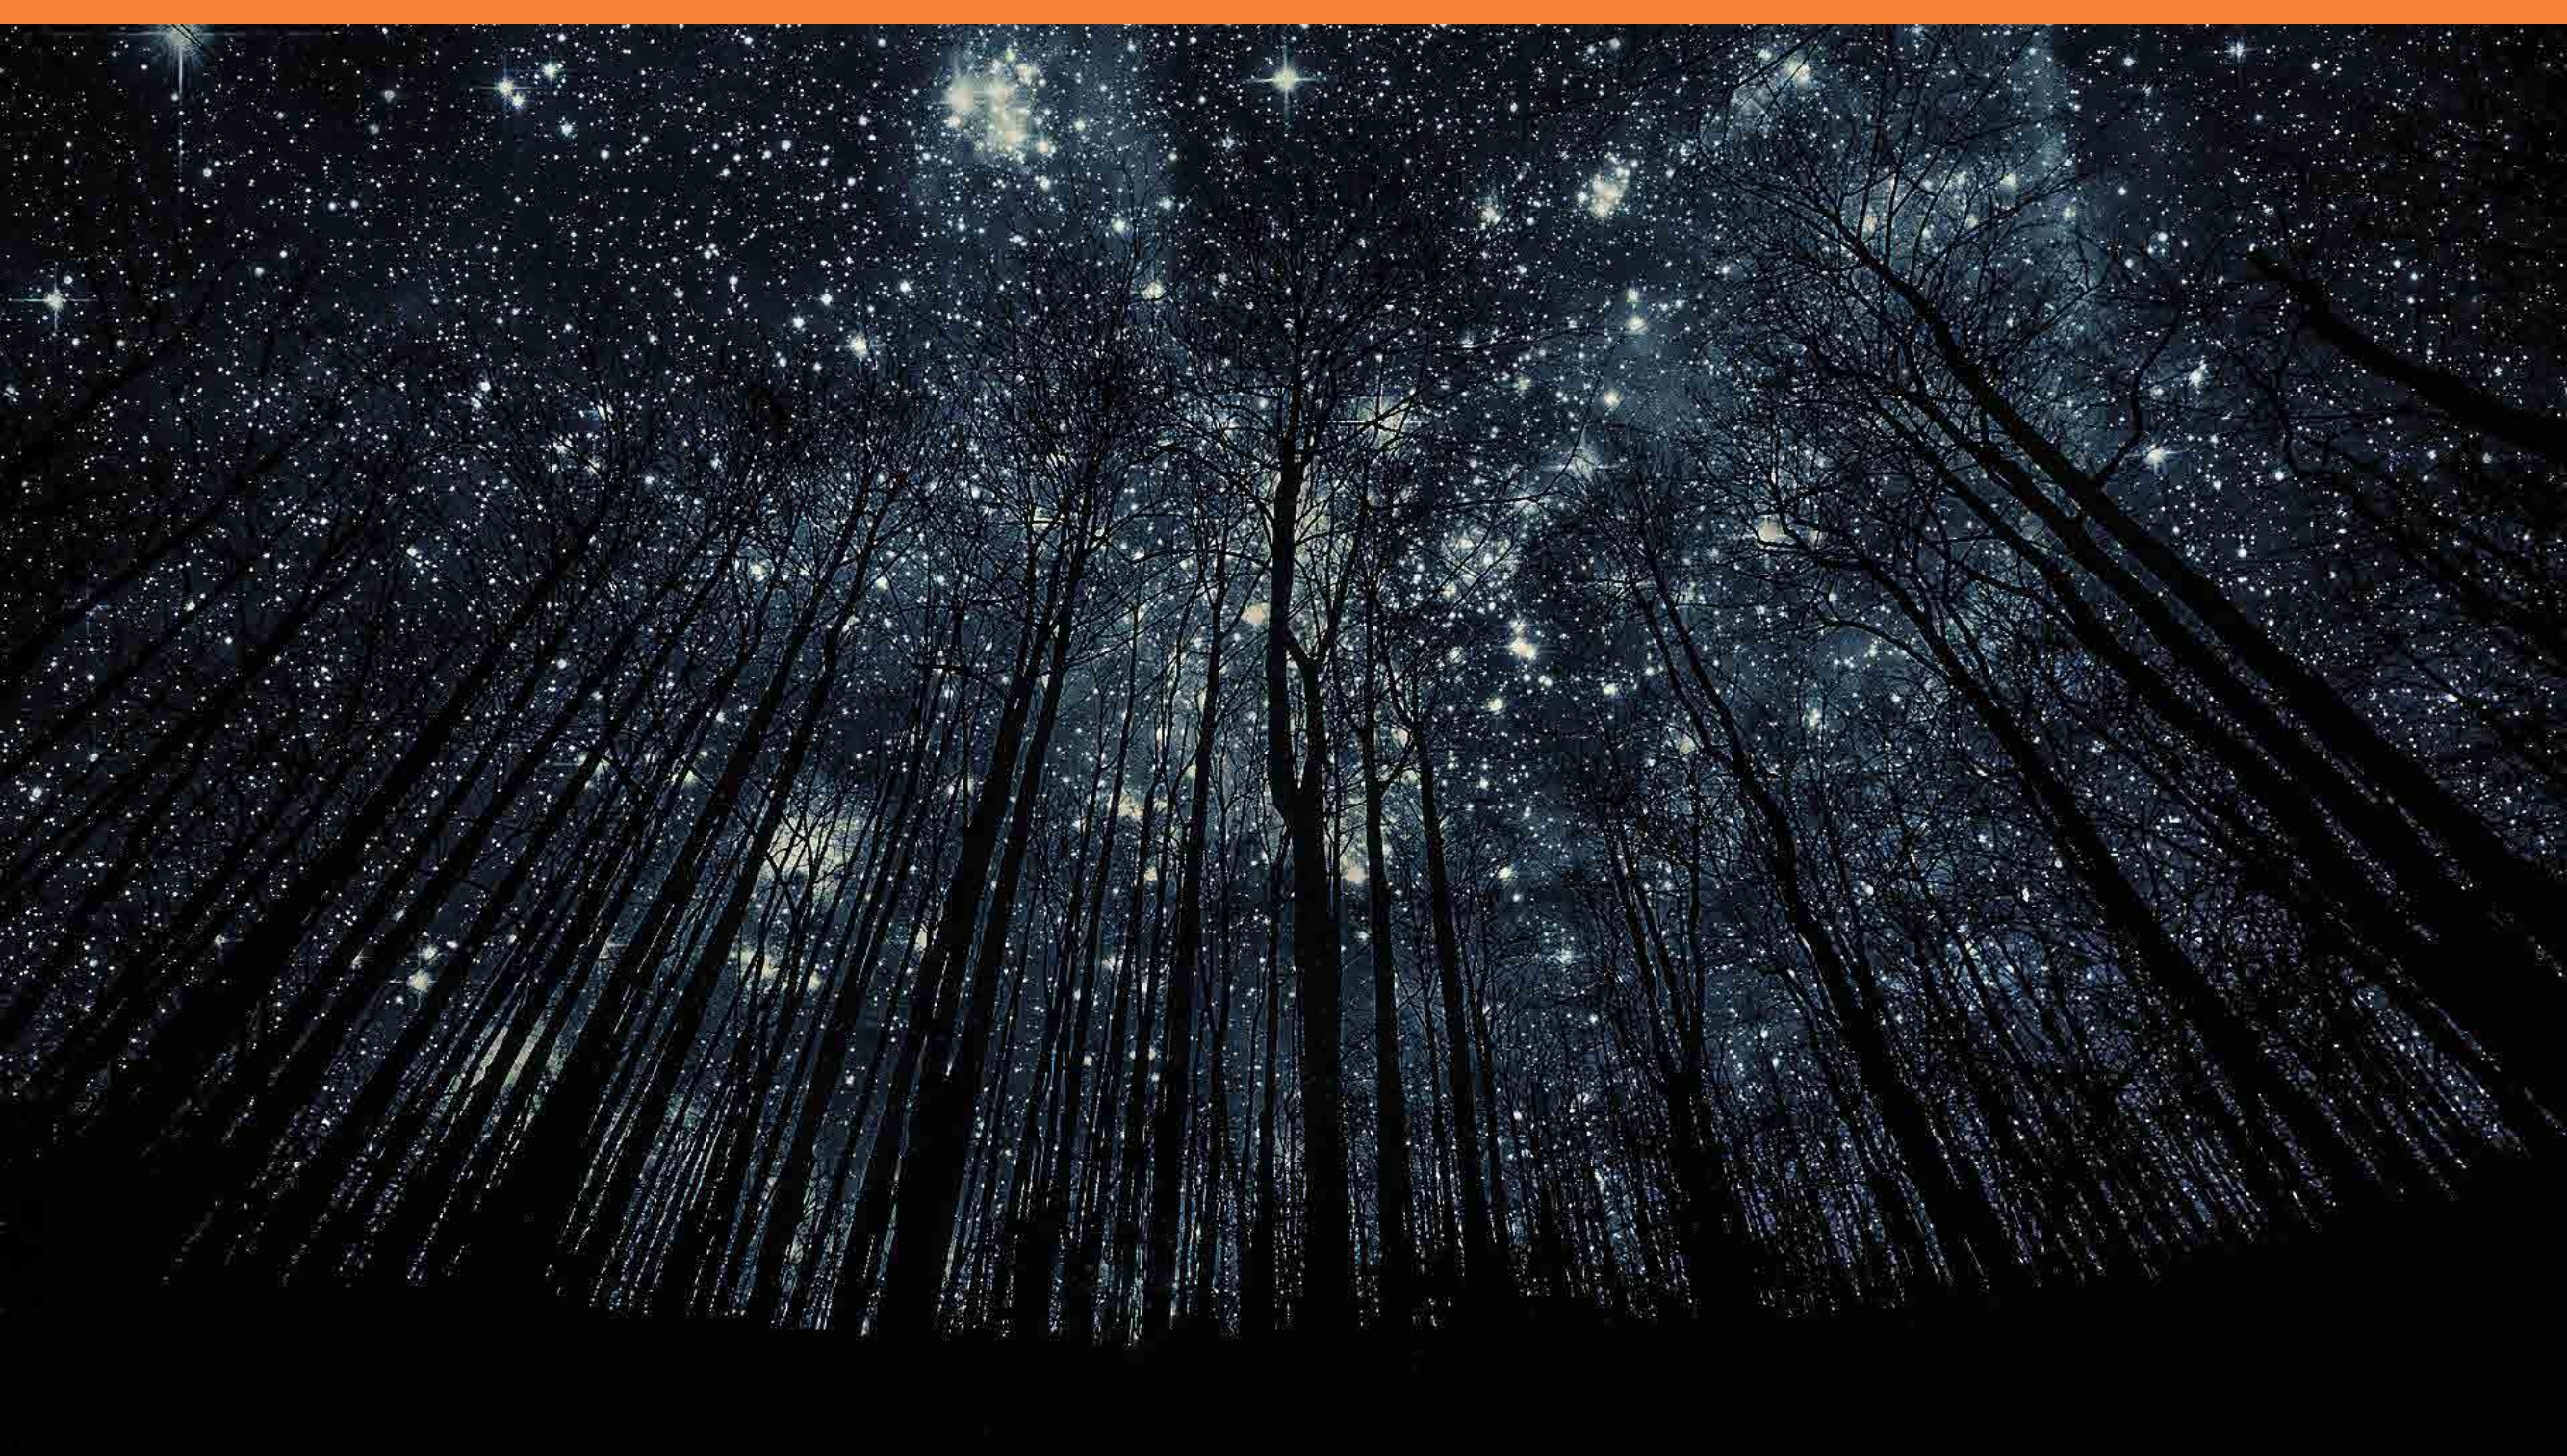

AT NIGHT

The Galloway Forest Park is the darkest place of Scotland.

It always brings stargazers, astronomers and wonderers admiring the beauty and solving mysteries of the universe together.

In order not to pollute the cleanest skies, late concerts will use special lightings, harming the nature as little as possible.

See the beauty of the natural lights and discover that no spotlight is more powerful than stars.

FESTIVAL

The Universe of Sound is for every open-minded soul.

The festival is not only about music, but all about freedom, adventure, discovery, friendship and joy.

Make new friends, discover and rise your musical skills, try various creative dishes from the best independent cooks, experiment and learn.

See the map and feel free to contact us for more information.
